Budget

\$8387.26 in the budget per email from Ginger

BFB/bike racks/funds remaining

Roughly \$2700 remaining (still). Discussion of 4-bike rack available and possible locations (Southern States, Fitch, Milltown).

Town of CH installing new bike racks at Crooks' Corner based on conversation between Heidi and Meg McGirk (sp?).

Bike themed art exhibit next spring

Nerys Levy (sp?) approached Heidi about a bike-themed exhibit at the Carrboro Branch Library in June. A kid-inclusive event in which the kids make some art is desired.

Presenting at next state bike conf. in October

Heidi passed a draft to folks who met up via Google Docs.

Bike Fairy

Radio piece on WCHL aired. Discussion of struggles giving things away. Working as a pair sitting still seems to work better.

Working with town about working toward gold status

A google doc has been created. Ideally would be shared with whole board.

Newspaper articles

Topics not yet covered (same list as last month): Safe Routes to School; Riding with kids; Health benefits (cycling as R); Cycling from youth perspective.

Newsletter article ideas and assignments

Fall Newsletter ideas time! Send your ideas to Heidi. Articles are due Tuesday the 1st of September.

Possible interviews/profiles

Two women who commute ~6 miles & ~12 miles by bike. Heidi proposed interviewing them.

Welcome to Carrboro/NC for cyclists

Amy suggested a list of tips (eg. laws, notorious intersections, resources) that could be easily distributed to newcomers.

Fix-a-flat

Estes Park event went well, but no thanks to Estes Park itself (no advertisement, signs that we put up had been taken down).

Bike Rodeo

... at Rogers Road went well.

Minutes Questions

Agenda approval, approving minutes from previous meeting(s), and distribution of minutes to the public.

Action Items Wrap-up

Everybody

- If you have a google doc you'd like shared with the rest of the board or preserved, share it with me (cmpalmer@ibiblio.org).
