BFB

Colleen will write letters and send them out for review tomorrow. Newly-added businesses to the program need to be added to the website. Heidi will ping Ben.

Budget

Ginger not present; no email from her pre-meeting. Heidi ordered crash report cards (\$175). Eric spent money having to do with grants.

Safe Routes to School

School over this Friday. Three bikes to give away -- one given away as part of Car-free Fridays. PTA for Carrboro Elementary has now made a \$1k line item for Safe Routes to School as a prototype. End of August is when we should have a report ready for Strowd Roses.

bike fairy

We have 50 (fifty) \$5 gift cards. Twenty are from Open Eye. Fifteen from Bread & Butter. Fifteen from Looking Glass.

Three handed to Cristóbal and Tod got Five. Some discussion of how to distribute the gift cards and of how delicious the baked goods at Bread & Butter are.

Presenting at next state bike conf. in October

Four broad categories to choose from when planning a talk (these are tracks):

- Planning and Engineering
- Education and Promotion
- Economic Development
- Community and Government

July 17th is when the Abstract is due.

Charlie, Molly, Heidi, and Tod volunteered to be on the subcommittee. Seth and Eric conscripted. Eric to send out a message to plan subgroup meetings.

bike racks/funds remaining

Roughly \$2700 remaining; need to speak to Ginger. Fitch, Food Lion (at Carrboro Plaza), and Southern States still pending. Milltown also not terribly responsive. Crooks Corner pending because Town may be doing maintenance.

Working with town about working toward gold status

Action item: Charlie will talk with Board of Aldermen at next meeting about bike parking requirements.

Proposal to come up with a short list of action items, especially low-hanging fruit for improving policies and infrastructure.

Eric taking the lead with Charlie supporting.

Events coming up (Fat tire, July bike rodeo, fix-a-flat)

Fat Tire (Tour de Fat) is in Durham -- Saturday the 20th of June. 8am departure from Wilson Park.

July Bike Rodeo at Rogers Road Community Center on Thursday the 2nd of July starting at 8am and running until 1pm. As many as 60 kids (of varying elementary school ages) may be in this camp. Volunteers needed. CBC is giving away a bike.

Fix-a-Flat is Wednesday June 24th 7pm at Estes Park apartments by the laundromat. Please bring chain lube and standard tools for changing a tube or making minor safety adjustments.

Town of Carrboro approved "Summer Streets" starting June 21st.

Chapel Hill updates/ BACH updates / county updates

John Rees stepping up to keep BACH moving as Rainer plans for move to Germany. Melissa reports that BACH meetings have not been consistent in terms of place and have moved at the last minute meaning that she has tried twice unsuccessfully to attend a meeting.

State news: Bill 232 sent to a committee that hasn't been constituted yet.

Orange County update: four-person group presenting itself as the "rural roads safety coalition" is writing to state legislators with policy proposals that would restrict cyclists heavily such as requiring licensure and banning cycling during inclement weather.

Newspaper articles

Three submitted. Two printed.

Topics not yet covered: Safe Routes to School; Riding with kids; Health benefits (cycling as R); Cycling from youth perspective.
